From the Revenue Comm^y
in Mysore

Letter No C-6527/4/1942 D-8/5/42
states that at the Central Depressed
Class Comm^y Meeting held on
3.12.41, a proposition was brought forward
& discussed with a view to get addi-
tional representation of both the A.D.
Jambana & Adi Kachataka Comm^y on all local bodies etc.

1) The Rev Comm^y is of the opinion
that it will be sufficient if some members
of the Adi Jambana Comm^y are nominated
to the local bodies and recommends
instructions being issued to local officers
to bear this principle in mind ^{while making recommendations for nomination} & request
orders of govt. thereon. Re nomination
to Village Panchayats, the Rev Comm^y has
stated that he is requesting the Dy. Comm^y
of D.D. to see that both the Comm^y get
adequate representation.

2) Dtd for order wherein a Circular
No. 85742 is being issued to the
Dy. Comm^y & the Dy. Councils of
Panchayats & Panchayats on 'A'
3) Pl. to the Dy. Comm^y for nomination to local
bodies.

Wherever suitable Ad Karnataka
are available, they are generally nominated
to the P.W.D. & Dist. Boards. It does
not appear desirable to ^{introduce}
another distinction among ^{the Depressed class} ~~Ad Karnataka~~
by including Ad Karnataka also, as it
is absolutely impossible for the Govt to
satisfy their claims for nomination within the
limited number of seats available for nomination.
No useful purpose would therefore be served
by issuing an order, which it would not be
possible ^{for the Govt} to implement in practice
further, it would be necessary to
have the term "Ad Karnataka" included among
the "Depressed classes" if this is done
the Govt would according to the S.O.
recommend the names of Ad Karnataka also
whenever they happen to be in large numbers
for nomination to the Local Bodies.
Having regard to the above facts, the
proposal of the R.C. may not perhaps
be accepted.

Representation of the Depressed Classes in all
the elected Local Self Governing Bodies.

Sir,

I have the honour to note marginally a proposition
discussed at the Central Depressed Class Committee Meeting
held on 3rd December 1941. During the course of the dis-
cussion it was explained that the reason for requesting the

"That in all elected Local Self-Governing Bodies - the representation of the ~~Deputy Commissioners~~ may be doubled." *Depressed classes*

additional representation was to
secure representation of both the
Adi Jambavas and the Adikarnatakas

into this letter
7/5/42
1/ should
Depressed
classes

I think it sufficient if some members of the Adi Jambava ^{Community} Committee are nominated to these bodies. In the circumstances, I would recommend that instructions may be issued to local officers to bear this principle in mind when making recommendations for nomination to local bodies and request you to kindly obtain orders of Government thereon

Regarding nominations to Village Panchayets, I am requesting the Deputy Commissioners of Districts to see that ~~as far as possible~~ both the Adi-Jambava and Adikarnatakas communities receive adequate representation

Sir,

With reference to your
letter no C 6527/41-42
dated the 5th May 1942
requesting that instructions
may be issued to the
local officers to recommend
members of the Adivasi
Communities for nomination to
the local bodies, I am
directed to invite refer
to J O no 228007/ml
181-327 dated $\frac{19}{21}$ x 32

(copy enclosed for ready
reference), laying down the
principles of nomination to the
local bodies in the state
and to state that the
members of the depressed
classes - including those
of the Adivasi Communities

are being nominated to these
bodies, wherever suitable persons
are forthcoming or unavailable
under the present constitution of these
local bodies, the number of seats -
available for nomination is limited
and Govt consider that no useful
purpose would be served by issuing a
circular as proposed in favour of ^{the} Ad. Jambava,
as it would not be possible for the Govt
to satisfy the claims for nomination within
the limited number of seats available of all
the mining communities included in the
general term "repressed classes"
